Skipper Limited secures New Orders

- Secured new orders worth Rs.500.21 crores in its Engineering & Infrastructure business segments
 - Orders secured for the projects of Power Grid Corporation Of India Ltd (PGCIL) , Transmission Corporation of Telangana Limited (TSTRANSCO) & Power Transmission Corporation of Uttarakhand Limited (PTCUL)
 - Orders secured from Botswana & Philippines

Kolkata, 15th May 2017: Skipper Limited, one of the renowned Power Transmission & Distribution and Polymer Pipes & Fittings manufacturing players in India, secured new orders worth approximately Rs. 500.21 Crores in its Engineering & Infrastructure business segment.

In an announcement today, the company shared the news of securing fresh new orders worth approx. Rs.376.48 crores from national & Rs. 123.73 Crores from international markets for supply of Power Transmission Towers & Telecom Poles.

Order details

- India: Secured orders for supply of domestic Transmission Towers & EPC Line construction worth Rs.301.48 Crores from Power Grid Corporation of India Ltd (PGCIL) , Transmission Corporation of Telangana Limited (TSTRANSCO) & Power Transmission Corporation of Uttarakhand Limited (PTCUL)
- Botswana & Philippines: The company further explores newer markets and secures orders worth Rs. 123.73 crores from South African & Southeast Asian territories
- Telecom Poles: The Company revisits manufacturing of Telecom Poles. It secured fresh orders for manufacturing of Telecom Poles worth Rs.75 Crores

Commenting on the development Mr. Sharan Bansal, Director, Skipper Limited said “With these orders we have further strengthened our domestic as well as international order book. Now with Botswana in our network, we have further expanded our footprint in the potential African Market, continuing to reinforce our presence in the Southeast Asian market too. These orders have further strengthened our vision of making India the preferred sourcing hub for Global Infrastructure.

Our focused strategy of de-risking the business through geographic spread and diversified business portfolio has definitely yielded good results. The strong pipeline of orders from both domestic and international markets, provide us with clear growth visibility for next 2 years”.

ABOUT SKIPPER LIMITED

Skipper Limited established in 1981 is one of the leading companies in the Power Transmission & Distribution and the Polymer Products segment. With over 35 years of domain knowledge it is ranked among the largest in India and among top 10 globally basis the manufacturing capacity of its Engineering products division. Skipper differentiates its offerings with high quality but cost effective solution for infrastructure providers and telecom operators. Its international footprint spans across continents such as Latin America, Europe, and Africa and is spread across 20 countries with presence across sub-segments such as towers, EPC, monopoles and poles. Skipper Limited is a national powerhouse in the Polymer Pipe business.
